Event report: The session was led by Dr. C. Arunkumar Madhuvappan, Professor, Department of Biomedical Engineering, Vinayaka Mission's Kirupananda Variyar Engineering College, Salem, and focused on fostering creativity, problem- solving skills, and innovation among students.

50. II BHMS students' experiential learning visit to the district court, salem

Date: 10 December 2025

Place: VMHMC, Salem.

Event report: As part of the Competency-Based Dynamic Curriculum (CBDC) prescribed by the National Commission for Homoeopathy (NCH), students undertook an academic visit to the District to observe and understand live court proceedings. The visit provided students with valuable exposure to judicial processes, medico-legal procedures, and the overall functioning of the court system. Through direct observation, students gained deeper insights into medico- legal responsibilities, which are integral to safe, ethical, and effective clinical practice.
